

CORRECTION ON DATE OF KILPATRICK PROPHECY

May 10, 1997 (David Cloud, Fundamental Baptist Information Service, P.O. Box 610368, Port Huron, MI 48061, 866-295-4143, fbns@wayoflife.org) -

In our article on May 9, 1997, "Laughing Revival Pastor Claims CRI Will Be Judged," we stated that "Pastor John Kilpatrick, Brownsville Assembly of God, Pensacola, Florida, prophesied that the Christian Research Institute (CRI) will be 'brought down by the Holy Spirit' within 90 days for its stand against the 'Pensacola Outpouring.' The 90 days will expire on August 6."

In fact, the 90 days will expire on July 5. We apologize for this mistake.
